Remote Control: APP to retrieve audits, reports, and alerts in real time. It will also let owners know about the status of the film, if the cash box is full and its location.

Advertising Platform: DC offers a new Advertising Sign and a LED Sign, which displays advertisements along with captured photos via its luminous appearance.

Email & Social Networks: Share photos and videos via email and social networks.

QR-ID: With MyPhotoCode APP users can get a personal and exclusive QR code (QR-ID) providing access to all of their photos from any DC PhotoBooth.

SmartPrint: To print Smartphones photos in any DC PhotoBooth.

Share Secure: The safest way to share photos via social networks because private data is never typed at the PhotoBooth.

Customize

- Welcome / Good Bye Screen
- Custom or advertising on screen
- Text on the side of the print
- Music
- Logo printed on photo
- Custom frames
- Custom Decals
- Custom Background
- Custom Cloud

QR-Photo: The photos are printed with a unique and exclusive QRcode that users scan with any Smartphone and allows them to access The Cloud.

The Cloud: A server to control and manage the PhotoBooths and events online. It's possible to customize the Cloud with owner's look and their corporate logos and capture the email addresses for commercial purposes.

Video Message: Digital Centre PhotoBooths give the user the possibility to record a video message from the PhotoBooth and share it via email and social networks.

MyPhotoCode App: Free application for smartphones from DC. The first social network application for PhotoBooths that allows sharing, voting, and the ability to comment on funny photos.
