ATTENDANT-FREE GAME SERIES

The **Balloon Bust Attendant-Free Game (AFG)**

allows guests to play this Classic Midway style game without the need for a game operator.

Guests throw a ball at backlit LED balloons to "POP" them. The more balloons they "POP" the bigger prize they can win!

Game Features:

- Electronically controlled and flexible game settings and options.
- Built-in sensors that know when the guest has thrown and then resets the game for the next player.
- Distributes a specialty 2" x 4" ticket that can be exchanged for a prize or collected to trade for larger prizes!
- Add game units to fit your building size!

***NO ATTENDANT
REQUIRED!***
