

COOL  
BLU  
FLEX

## Built to offer you flexibility for your business.

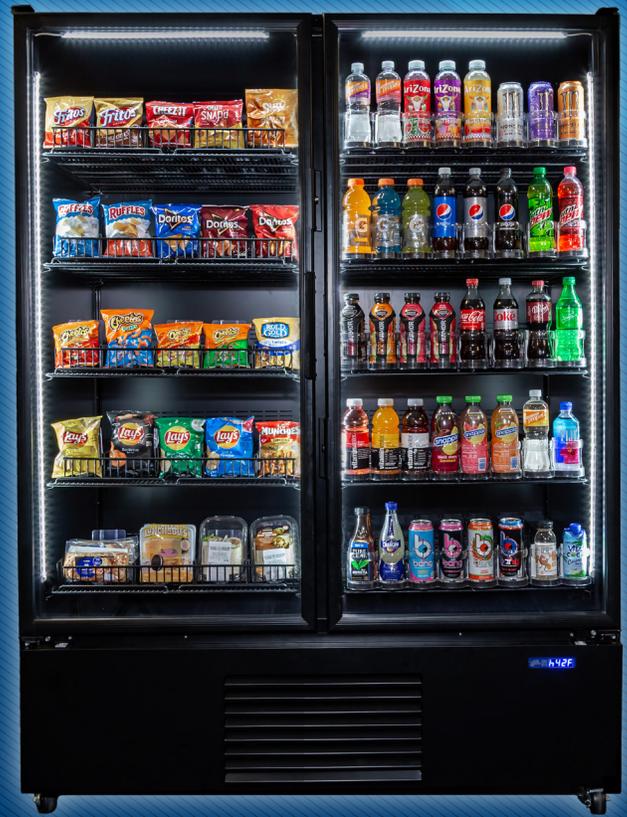

CoolBlu FLEX was designed to be your exclusive cold beverage merchandiser, or combo ambient/refrigerated cooler providing a solution for mid to small size locations. CoolBlu FLEX can do it all, and the dual locking doors provide unlimited placement options. It is NAMA certified, and all CoolBlu FLEX coolers ship ready to accept PICO, SAVANT and Cooler Café devices.

With an amazing usable internal space of 51 cubic feet, CoolBlu FLEX has a pack out size of 720 cans or bottles doubling the capacity of most traditional merchandisers today. If using as a combo cooler, again the capacity doubles, cutting labor cost and increasing product offerings and revenue.
